Magnetic Cord S, 20 cm olive green

Sticky Stricky

Information

Dimensions	20x4 cm
Pack size	8.5x5x4 cm
Net weight	39 g
Gross weight	52 g

The Sticky Stricky is a unique product offering countless uses. Two strong neodymium magnets, connected by a flexible cord, allow you to attach items to almost any surface. Be it at home, while camping or doing sports, in the garden or on a boat – with this handy helper, you always have the right solution at hand.

Use the Sticky Stricky as a versatile hanger, cable tie or even as a temporary suspension for tools and equipment. It is incredibly easy to use: simply find a metal surface or form a loop to secure whatever you need.

Ideal for outdoor activities like hiking or camping, but also perfect for everyday use at home or in the workshop. The Sticky Stricky is also excellent for use on boats or during sports, where it quickly and reliably hangs or organises items.

Technical details:

- Holding force on metal: max. 8.5 kg
- Tensile strength as a loop: max. 7.2 kg
- Shear strength on metal: max. 3.5 kg
- Temperature range: -10 °C to 80 °C

Warning: not a toy! Follow instructions and safety guidelines and keep out of reach of children!
