The Brennenstuhl battery-powered LED camping light CAL 1 is the perfect outdoor lamp for camping and leisure. With a brightness of 350 lm and a runtime of up to 75 hours, it provides reliable light for any occasion. The lamp is infinitely dimmable and the colour temperature can be flexibly adjusted from 2700 to 6500 K, allowing you to always create the perfect lighting atmosphere.

Thanks to its IP44 protection class, the lamp is splash-proof and therefore perfect for outdoor use. Equipped with a hemp rope and bamboo base, the lamp also brings a natural charm to any setting. It is rechargeable and comes with a 1 m long USB-C/C cable – perfect for campers who want to combine functionality and design.

Lithium battery (5.2 Ah, 3.7 V)
