Manufacturer's no. KS20121

All-In-One Solar System FLAT TYPE-SYSTEM, 120 Wp

Information

Dimensions	1085 x 590 x 4 mm
Pack size	114 x 61 x 4.5 cm
Net weight	4.4 kg
Gross weight	4.4 kg
Catalogue page	599

Complete set equipped with all necessary components required to install an NL FLAT TYPE solar system in a recreational vehicle. The installation is quick and straightforward, as all components are plug-and-play compatible. The interior cable (6 m) and the adhesive MC4 roof cable routing are included. The supplied MPP controller (NL SR 400 MPP) features temperature control and can also be optionally expanded with a remote display (NL SF) and/or a Bluetooth module for app display. A connector is included to feed the solar power into vehicles of the Hymer Group (Bürstner, Dethleffs, LMC, Carado) and many others. An adhesive kit is required for attachment. If not available, simply order the NL solar adhesive kit as well.

Specifications

Cable length	6 m
Short circuit current	6.77 A
No-load voltage	21.8 V
Number of panels	1
Nominal power solar panel(s)	120 Wp
Type	NL FT 120
