The Reich city water regulator Colorado is the perfect solution for a constant water supply in your motorhome or caravan. It ensures that the water pressure is always optimally regulated to protect sensitive pipes and appliances from excessive pressure.

The removable magnetic valve allows for easy handling and maintenance of the system.

With this high-quality city water regulator, you can enjoy a consistent water flow at all times, without fluctuations or pressure issues. Sturdy, reliable, and user-friendly – the Reich city water regulator Colorado makes your water supply on the go worry-free and safe.

Highlights:

- Removable magnetic valve for easy cleaning and maintenance
- Constant pressure regulation for maximum protection of your water systems
- Robust design, perfect for use in motorhomes and caravans
- Easy installation and universal compatibility
