SBS Hose Set 6 bar 10 kg/h

Information

Dimensions	500 mm
Pack size	35x22x11 cm
Net weight	464 g
Gross weight	464 g

The SBS hose set 6 bar 10 kg/h Comb.A x HD 6.3 x 5-500 x RST12 RV is a high-quality accessory for liquefied gas systems, designed for the safe operation of cylinder systems. It meets the requirements of the European standard EN 16436-1 and is ideal for use in leisure and camping areas.

- SBS hose rupture protection with manual release, shuts off gas supply in case of hose damage
- Combination connection for optional connection to 5, 11 or 33 kg gas cylinders
- The check valve prevents uncontrolled gas escape when the double shut-off block is open
