Front Window Blackout System FR 500 for Recreational Vehicles

Information

Pack size	158x24x16 cm
Net weight	2.25 kg
Gross weight	2.25 kg
Catalogue page	359

With the custom-made front window blackout from Dometic, you will feel at home from the very beginning. Four adjustment options and an aluminium-coated fabric create the perfect combination of privacy, sun protection, and thermal insulation. Installation takes just a few minutes. The result looks like an original factory fit.

- Colours and finishes are perfectly matched to the vehicle
- Twice as fast to install as comparable blinds
- Adjustable from bottom to top in 4 positions: open, privacy, closed, maximum blackout
- Durable fabric and injection-moulded guide rails for a long lifespan
- Aluminium-coated fabric helps maintain a pleasant temperature inside the vehicle
- Fits all Ford Transit Custom V710 models including those from September 2024, with or without interior mirror, left-hand and right-hand drive
- Product is not suitable for vehicles with folding beds, rear shelves, head-up displays or optionally installed A-pillar airbags.
