The GCI Outdoor Pod Rocker Elite™ is your ideal companion for relaxing moments in nature. With its innovative design and patented Spring-Action Rocking Technology™, you can enjoy a gentle rocking experience that allows for pure relaxation. The ergonomically designed front edge of the chair is specifically crafted to avoid pressure points on the back of your thighs, so that you can sit comfortably for hours.

This rocking chair impresses with numerous practical features:

- **Drink bottle holder with drawstring:** space for a 1-litre bottle, always within reach and securely stored.
- **Breathable seat:** ensures a pleasant seating experience even on warm days.
- **Robust shock absorber spring:** supports every rocking movement and creates a relaxed rocking experience.

Whether you are camping, at the beach or in your own garden – the GCI Outdoor Pod Rocker Elite™ makes your free time even more comfortable and functional.
