The Solbio Botanic toilet additive 4 in 1 is especially suitable for campers who travel light or only camp occasionally and value natural hygiene. The formula with the fresh scent of wild herbs and wildflowers supports the breakdown of faeces and toilet paper. At the same time, the additive acts as a self-cleaner for the toilet tank and helps to reduce deposits and odours. Thanks to the versatile 4-in-1 effect, the product can be used not only in mobile toilets but also in grey and black water tanks – ideal for deep cleaning and odour control. With 20 doses, the contents are sufficient for about two months in a 20-litre tank and can be safely disposed of via the toilet.

Advantages:

- 20 doses
- Sufficient for approx. two months with a 20-litre standard tank
- Fresh scent of wildflowers and wild herbs
- Supports the breakdown of faeces and toilet paper
- Self-cleaning effect for the toilet tank
- Recommended use every three days
