Tent Broom

Information

Dimensions	129x31x5 cm
Pack size	128x25x5 cm
Net weight	293 g
Gross weight	293 g
Catalogue page	697

This broom is made of rice straw and has an 80 cm long wooden handle. The bristles are elastic and especially resistant to wetness. The broom reliably removes coarse dirt, leaves, sand and dust and also fits into narrow corners thanks to its convenient shape – you only have to turn it on its side. That is why it is perfectly suitable for caravans and motor-homes.
