External Shower Connection with Water Socket

Information

Dimensions	25x5x25 cm
Pack size	25x25x5 cm
Net weight	760 g
Gross weight	760 g
Catalogue page	320

With this external shower connection for hot and cold water, you can enjoy comfort while camping and on the go. The temperature can be adjusted directly at the connection piece, the cover locks securely in place and reliably protects the connection.

The 2 m long shower hose with hand shower is sturdy, easy to remove, and thanks to the tension lock, simple to store. Pre-assembled connection nozzles allow for quick installation – ideal for motorhomes, camping or outdoor use.

Your advantages:

- Outdoor shower connection for hot and cold water
- Easy temperature regulation
- Cover with secure locking mechanism
- Robust 2 m shower hose with hand shower
- Practical tension lock for quick storage
- Pre-assembled connections for easy installation

This shower connection makes camping even more comfortable and flexible.
