The camping guide **TOP 1001 – Die beliebtesten Campingplätze in Europa 2026** offers you well-founded guidance for planning future tours across more than 20 European countries. The high-quality, gold-glossy design makes the book a visual highlight – ideal as a gift for camping enthusiasts or as a reliable companion for your own route planning.

Extensive information for your travel planning

The camping guide presents **1001 especially popular campsites in Europe**. Each entry includes a QR code through which you can access additional information, images and further details. Additionally, the book contains country-specific tips, exciting facts and recommendations for excursions off the beaten track – a valuable support for individual and varied tours.

Special theme section for particular travel interests

An extensive special section showcases sites from various categories, including:

- FKK camping (nudist camping)
- Wellness and relaxation
- Travelling with children

Specifications

Destination	Europe
