Set with 6 Silicone Moulds

Information

Pack size	24.6x13.6x12.7 cm
Net weight	300 g
Gross weight	410 g
Catalogue page	663

Would you like some tapas or other small dishes? The silicone moulds in the sizes whole, half and quarter are perfect if you want to prepare or reheat several small dishes at the same time. Additionally, they take up next to no space. What would you like to try first? Temperature range: min. -30 °C to max. 260 °C. The silicone mould will be damaged if the temperature is too high. Must not come into contact with open fire. BPA-free silicone, six silicone moulds in the shape of half and quarter pieces.
