The RoadSpoon Round is the perfect kitchen aid for anyone using non-stick cookware – whether you are cooking on the RoadBaker or in your kitchen at home. Its extra-deep bowl makes serving food easier, while the coloured, flexible silicone edge effectively protects delicate surfaces from scratches. The clever design not only preserves your cookware but also makes cooking more comfortable: the ergonomically shaped handle with a rubberised surface ensures a secure grip, even with wet hands.

The spoon is heat-resistant up to 180 °C and can be conveniently cleaned in the dishwasher after use. A practical hanging hole also allows for space-saving storage.

Advantages:

- Extra-deep bowl for secure portioning
- Flexible silicone edge protects non-stick coatings
- Ergonomic, rubberised handle for a secure grip
- Heat-resistant up to 180 °C
- Dishwasher-safe for easy cleaning
- With hanging hole for space-saving storage
- Designed in Germany
