The pot set Torralta Square impresses with its thoughtful, square design – ideal for motorhomes, boats and anyone who values efficient use of space. With dimensions of 20 x 20 cm, the pot and pan fit perfectly inside each other and can be stacked to save space. The Vacu-Block system keeps your pots and pans secure while you are driving. Incl. lid with drainage holes for draining pasta water. Thanks to the removable handles, you no longer have to deal with bulky cookware, which is especially advantageous in small kitchens.

Made from high-quality recycled aluminium, the set boasts excellent heat distribution and high durability. The glass lid ensures that food can be monitored at all times without interrupting the cooking process.

The Torralta Square is suitable for all types of stoves, including induction cooktops, offering maximum flexibility – be it on the go or at home.
