REVOTION

Information

Dimensions	8x2.5x4.5 cm
Pack size	12.5x7.5x4 cm
Net weight	149 g
Gross weight	156 g
Catalogue page	398

With the NODE TwoWay, you can control your movable devices easily, flexibly and precisely. Whether it is a fold-down bed, an awning, a pop-top, a step or valves – the NODE TwoWay brings everything into the desired position.

- **Easy to control:** move your devices via app or physical switch – as needed.
- **Continuous movement:** hold the button until the desired position is reached. The movement stops automatically or after a preset time.
- **Versatile mode:** use the NODE TwoWay in switch or push-button mode, depending on your requirements.
- **Powerful:** up to 20 A switching current (max. 1 minute). Up to 10 A in continuous operation – ideal for linear motors.
- **Flexible connection:** connect a physical switch or push-button to control the NODE independently from the app.

Make controlling your devices easier than ever before – with the NODE TwoWay!
