The round inset sink is the ideal solution for wet rooms in leisure settings – be it in a caravan, in a motorhome or on a boat. It is simply installed into the worktop and impresses with its sturdy construction. The drain connection is 3/4". The drain fitting is not included.

### Advantages:

- Space-saving design for wet rooms
- Easy to install into worktops
- Robust design for camping and leisure use
- Standard 3/4" drain connection
