

Item no. 550/053
Manufacturer's no. 51271

Pasta Plate

gumex
serves great moments

Information

Dimensions	23 cm
Pack size	24x24x4 cm
Net weight	285 g
Gross weight	285 g

Lifestyle in 2 colours

Campers love colourful tableware series. The company GIMEX is now setting completely new standards for high-quality melamine tableware. The GreyLine series is trendy, but the colouring is coordinated so that you will not get tired of it over time. Each piece of tableware is given an additional glaze of pure melamine plastic during an additional pressing process, which makes the end product appear extra surface-hard and porcelain-like.

Specifications

Decor	GreyLine
