With the myclean®water active filling filter set, you effectively protect your water system from microorganisms and pollutants. The activated carbon filter filters out impurities while you fill the tank – ideal for anyone who relies on clean water while on the go. Thanks to its compatibility with Gardena connections, using the set is particularly easy and practical.

Your advantages at a glance:

- Reliably filters microorganisms and pollutants
 - Protects your vehicle's water system
 - Easy installation due to Gardena compatibility
 - Perfect for motorhomes, boats and caravans
- Enjoy clean water, no matter where your journey takes you!
