Door safe for Fiat Ducato, Citroën Jumper and Peugeot Boxer – protection and security when travelling

Protect your valuables while travelling with this high-quality door safe, suitable for Fiat Ducato, Citroën Jumper and Peugeot Boxer. The innovative safe offers an ideal security solution for travellers who want to keep their valuable items such as laptops and documents safe.

Compatibility

This door safe has been specially developed to fit seamlessly into the original cab doors of the Fiat Ducato and the identical Citroën Jumper and Peugeot Boxer models. It is compatible with model years from 2006 to 2019 (type X250 and X290), covering a wide range of vehicles.

Simple installation

The door safe is extremely easy to install. Installation requires no additional drilling or modification. It utilises the original fixing points of the existing map pocket, allowing for quick and secure installation. Within minutes, your safe is ready for use and offers robust protection against unauthorised access.

Spacious and practical

Despite its compact design, this door safe offers a surprising

Specifications

amount of space. It is large enough to safely store a 13-inch laptop, alongside other valuables such as smartphones, wallets and keys. The well thought-out design ensures that everything remains organised and within easy reach without compromising the convenience or functionality of your vehicle.

High-quality workmanship

Made from robust materials, the door safe resists break-in attempts and therefore offers a high level of security. The solid workmanship guarantees durability and reliability, giving you peace of mind on all your journeys.

Conclusion

The door safe for Fiat Ducato, Citroën Jumper and Peugeot Boxer is the perfect solution for anyone who values security and convenience. Be it for business trips, holiday travel or everyday use, with this safe your valuables are always kept safe. Invest in your security – with this door safe that elegantly combines protection and functionality.
