Safe, flexible and without drilling

This clever storage system brings order to your kitchen – at home and on the go! The magnetic holder ensures a secure grip for kitchen rolls, aluminium foil, baking paper and the like, and impresses with a practical roll-stop function. A robust metal strip reliably fixes the magnetic holder, while rubber-coated magnets protect surfaces and provide a strong hold on all metal surfaces.

Completely without drilling or screws, the holder can be attached in no time – ideal for kitchens, camper vans, outdoor kitchens and all places where flexibility is required. Whether you are travelling or using it in your everyday life at home, this practical companion saves space, creates order and is ready for use everywhere.

- Secure hold with roll-stop function
- Rubber-coated magnets – strong & surface-friendly
- Easy to install without tools
- Versatile for kitchens, camping & outdoor
