Information

Dimensions	13.5x2.4x5.2 cm
Pack size	13.5x8.2x2.5 cm
Net weight	100 g
Gross weight	100 g
Catalogue page	511

The plug-in coupling SKU-QR is equipped with an ergonomic, non-slip handle that makes it easy to connect and disconnect. When you disconnect the coupling, the gas passage is shut off. The sealing plug prevents the ingress of dirt and animals when the coupling is not in use. Additionally, the plug-in coupling is tamper-proof thanks to a special device – unlocking it is only possible using a standardised STN plug-in nipple.
