Hatch with Winter Insulation

Information

Dimensions	160x120 mm
Pack size	17.3x13.4x12 cm
Net weight	305 g
Gross weight	309 g
Catalogue page	316

The lockable hatch with winter insulation is optimally suited for wall thicknesses of up to 25 mm and provides efficient protection against heat loss. Finished in elegant white, it harmoniously integrates into any room design. The scope of delivery includes the hatch with integrated winter insulation and a lock, which guarantees additional security. Ideal for use in areas without a direct connection to the shower that require temperature control.
