| Gross weight   | 3.5 kg              |
| Catalogue page | 362                 |

The lightweight fly screen door offers campers the opportunity to enjoy a wide view of nature without having to worry about mosquitos and other pests inside the vehicle. The curved cassette and the pull-bar ensure that the door does not take up much space inside your van. Despite its size, the fly screen works quietly and smoothly.

- Easy to install with pre-assembled kit and clips
- All aluminium parts are light and durable
- Rolled edge of upper profile prevents head injuries

### Specifications
