The foldable step provides stable and secure support when getting in or as a practical climbing aid. Thanks to the large, non-slip stepping surface (34 × 29.5 cm), a secure footing is guaranteed even when wet. The robust construction ensures high load capacity and versatile applications – be it for camping, on the vehicle or in the household. When the step is not needed, it can be folded flat to just 5 cm and stored space-savingly.
