### Dish brush holder made of beechwood and stainless steel

An organised and hygienic kitchen starts with thoughtfully designed accessories. The open design of the dish brush holder ensures that dish brushes dry faster, reducing unpleasant odours and bacterial growth.

The FSC®-certified beechwood impresses with its natural appearance and durability, while stainless steel provides stability and a modern touch. The compact size makes the holder perfect for both small and large kitchens.

#### Advantages:

- Hygienic & practical – perfect quick drying
- Made of beechwood & stainless steel
- Certified wood – FSC® label for responsible forestry
- Easy to clean – simply wipe with a damp cloth (not dishwasher-safe)
