SOLUTIONS

Information

Dimensions	55x36 mm
Pack size	40x34x30.5 cm
Net weight	30 g
Gross weight	30 g
Catalogue page	565

Experience the impressive performance of the single USB-C™ Charger with up to 45 W which revolutionises charging in caravans, boats and motorhomes! Thanks to the advanced USB Power Delivery technology, the charger enables powerful and lightning-fast charging of tablets, notebooks and smartphones. The ingeniously simple, symmetrical USB-C™ connection of this charger will become the standard for all charging sockets in the future – the ideal platform for maximum charging convenience!

Features:

- Lightning-fast charging via USB-C™ connection with Power Delivery
- Intelligent fast charging
- Easy to install and compatible with the switch ranges from Berker and Inprojal/CBE
- High level of safety: protection against short circuits, over-voltage and high temperatures
- With open cable ends
