A lovingly designed travel diary that turns your camping adventures with a motorhome or caravan into a lasting experience. The large Camper's Log combines practical travel tips with plenty of space for personal memories, photos, postcards and notes. Both beginners and experienced campers benefit from helpful checklists, inspiring ideas and useful advice for travelling on four wheels.

In a generous DIN A4 format, the book offers numerous forms for documenting your tours: rate campsites, facilities, price, weather and daily mileage, or record the most beautiful moments of your journey. Additionally, the Camper's Log includes creative sections with camper-style recipes, small games and a phrasebook for on the go. This way, you can not only plan every stage of your journey well but document it to keep it in your memories.
