The EcoFlow DELTA 3 Max combines high power with impressive flexibility. With a capacity of 1536 Wh and an AC output of 1800 W, it reliably powers your devices, be it at home or on the go. Thanks to its expandable capacity of up to 5.5 kWh, it provides ample energy for a wide range of needs.

Fully charged in just 1.5 hours, the DELTA 3 Max is always ready for use. The X-Quiet technology ensures near-silent operation, making it perfect for noise-sensitive environments. Through the EcoFlow app, you always have control over your energy supply and can conveniently manage all functions. This innovative device is complemented by a 5-year warranty, ensuring the highest quality and durability.

### Specifications

|                    |                   |
|--------------------|-------------------|
| Battery technology | LiFePO4 (Lithium) |
| Continuous output  | 1800 W            |
| Capacity           | 1536 Wh           |
| Nominal voltage    | 12 V   230 V      |
| Type               | DELTA 3 1500      |
