Descaler for Fresh Water Tanks

Information

Dimensions	14x4 cm
Pack size	16x3x5 cm
Net weight	250 g
Gross weight	250 g
Catalogue page	479

The Solbio descaler is the ideal solution for motorhome owners who want to safely and efficiently clean their fresh water tank. Based on natural malic and citric acid, this descaler effortlessly removes even stubborn limescale deposits and ensures fresh, clean water quality – without aggressive chemicals. Therefore, the Solbio descaler is not only safe for people and nature, but also particularly gentle on the tank materials. Enjoy clean water on the go and the full performance of your water tank.

Can be used in a single application together with the fresh water tank cleaner (item no. 450/005).
