The rubber dustpan and brush in an oval design consists of a 2K plastic body in grey-orange. It is approximately 33 cm long and the working width is about 23 cm. The hand brush is equipped with synthetic rubber bristles. The dustpan features an integrated hand brush scraping edge, allowing you to quickly brush off pesky hair and lint.

The soft plastic lip sits very well on the floor and the hanging hole allows you to store the sweeping set in a space-saving way. The set is ideal for sweeping both dry and wet dirt as well as for removing hair. Perfect for thorough cleaning.

Also ideal for removing cobwebs! After use, simply hold it under running water to clean it!
