Sanitary Additive Biodor Eufakto, 1 l

Information

Pack size	27 x 12 x 6.5 cm
Net weight	1.1 kg
Gross weight	1.1 kg
Catalogue page	478

The microbiological sanitary additive Biodor Eufakto not only masks the source of odours but also eliminates smells from drain and toilet. The product systematically breaks down organic deposits in the tank, pipes and siphon, and causes toilet paper to disintegrate. The wastewater system becomes clean and odour-free.

Application areas: waste water tank, waste tank, drain, camping toilet, mobile toilet, floor drain, grey water tank, siphon and many others.

Usage:

Shake well before use.

Siphon, drain, gully or floor drain: rinse with clear water, remove coarse dirt. Add 25 to 100 ml or 1 to 4 caps per 1 litre of water. Pour the cleaning solution into the drain or floor drain and let it work. Do not rinse.

Grey water tank, dirty water bucket and pump sump: rinse with clear water, remove coarse dirt. Add 25 to 100 ml or 1 to 4 caps per 1 litre of water. Thoroughly distribute the cleaning solution on the vertical tank walls and let it work. Do not rinse.

Waste tank or camping toilet: pour 150 ml of Eufakto (for every 20 litres of tank volume) and 3 litres of water into the
