Desolyt Remote Indicator

Information

Dimensions	7.5 x 6.3 x 2.8 cm
Pack size	16.7 x 14.9 x 3.6 cm
Net weight	170 g
Gross weight	200 g
Catalogue page	424

If the DESOLYT IQ models are installed in a concealed location, e.g. in a raised floor, it may not be possible to observe the operating and status displays of the unit. This is where the DESOLYT remote indicator comes in handy. Its small design makes it easy to attach it to a suitable place in the viewing area and thus enables optimum visual and acoustic control of the disinfection. Simple plug-in socket on the IQ units.

Specifications

Colour	white
Cable length	5 m
Nominal voltage	10 – 16 V
Nominal current	0.12 A
