The Travelounger Air M is an innovative camping and garden chair that, with its smart L-shaped frame, allows for particularly space-saving storage. Its 8-way adjustable, high backrest is ergonomically shaped and offers you optimal seating comfort – whether you are reading, relaxing or eating. Made from robust Softilene fabric, the chair impresses with durability, a pleasant feel and a modern look. The precise laser cutting technology and unique assembly system ensure that the stabilising crossbars are securely fixed – without any loose screw connections. This means that the Travelounger Air M remains permanently stable, even with frequent use and transport.
