With wash+dry design, you get machine washable and dryer-proof mats. This way, they are perfect for those with allergies or pet owners. The wash+dry design models are produced in Europe and have a back made of 100% nitrile rubber. They are easy to maintain, especially flat and close to the floor, noise absorbing and anti-slip. The mats can be washed at up to 60 °C and can be tumble-dried at up to 90 °C. Wash+dry design unites quality and high-quality, robust and timelessly elegant models in various versions.
