Safe and comfortable entry and exit – with the security handle and entry aid 46 Pro. This high-quality security handle made of aluminium not only offers optimal grip but also an additional anti-theft feature.

- **Non-slip** – the integrated anti-slip foam ensures a secure grip.
- **Versatile** – suitable for doors opening to the left or right.
- **Space-saving design** – when not in use, the handle can be easily laid against the vehicle wall.
- **Increased safety & security** – the included Security Lock Kit enhances stability and protects against unauthorised access. The additional attachment point on the door provides even more protection against break-ins.

The ideal solution for anyone who values more safety and comfort – be it while camping or for everyday travel.
