SOLUTIONS

Information

Dimensions	5.2 x 10 cm
Pack size	4.5 x 3.5 x 3.5 cm
Net weight	220 g
Gross weight	440 g

Always have a fully charged battery. The dual USB-C charger with an output of up to 30 W can be easily installed as a practical charging station – in caravans, trucks, boats and motorhomes. This universal charger powers all mobile devices such as smartphones, tablets, digital cameras, headphones or portable speakers – the ideal platform for maximum charging convenience!

- With USB-C port for fast and easy charging
- Charges 25% faster than the previous model with 2 x 18 W
- Easy to install and compatible with Berker and Inprojal switch systems
- Suitable for wall thicknesses up to 17 mm
- Safe with rounded edges, protection against short circuits, overvoltage and high temperatures. Optional dust protection.
- With open cable ends, each with 200 mm cable length
