Manufacturer's no. 203P1-20-DE

Gas Stove 2 Cook 3 Pro Deluxe, 50 mbar

Information

Dimensions	55x9x30.7 cm
Pack size	61.5x32x14 cm
Net weight	6 kg
Gross weight	6.5 kg
Catalogue page	504

The 2 Cook Pro Deluxe comes with two pan stands with rubber feet, two ceramic-coated plates (1 x flat, 1 x ribbed), a coffee pot stand and a convenient carry/storage bag.

As this stove has two independent cooking zones, you can use a pot on the other side while you grill the meat. The flat plate is ideal for cooking fish and preparing breakfast and pancakes. The ribbed plate is suitable for grilling meat, fish, chicken and vegetables. Both plates have a GreenGrill ceramic coating and can be removed with a separate handle (included).

The gas knob protection on the stove ensures that the gas supply is not opened without pressing (and then turning) the knob. This is particularly useful when small children are around. In addition, the rubber feet on the underside provide extra stability and safety by preventing the cooker from slipping.

Removable windbreaks on the sides prevent the gas flame from going out during cooking. After use, the lid can be closed again with the convenient locking clip and stored in the carry/storage bag. Gas consumption: 2 x 160 g/h.

Scope of delivery: stove, two pan stands, two ceramic-coa-
