Your reliable protection for valuables

The extremely robust digital safe made of high-quality painted steel offers you perfect protection for your most valuable possessions. Thanks to the option for wall mounting, it can be securely and stably fixed in place.

- **Flexible security system:** programmable numerical combination with 3 to 8 digits, individually adjustable. Two emergency keys provide additional security.
- **Solid construction:** with a door thickness of approximately 3 mm and outer walls of about 1 mm, this safe offers optimal protection against unauthorised access.
- **Battery-operated:** the 4 AA batteries are included in the delivery and ensure easy operation.

Trust proven security technology to protect your valuables from theft!
