The double pleated windscreen roller blind has been specially designed for the Fiat Ducato and similar models such as the Peugeot Boxer and Citroën Jumper built since July 2006. Protect your privacy in your vehicle and enjoy pleasant temperatures through cold and heat insulation. The Dometic FP 220 blackout roller blind for the windscreen is easy to install and suitable for vehicles with both left-hand and right-hand drive. It also fits the new Fiat Ducato Series 8 models equipped with mechanical or electronic central rear-view mirrors.
