Stylish storage in the kitchen

The potato pot with wooden lid in modern Urban Grey combines functional storage with a natural look. The calm shape and harmonious colour scheme create a fixed place for potatoes in the kitchen while also setting a stylish accent in the living area.

The modern container in Urban Grey is complemented by the warm-looking wooden lid and combines functionality with cosiness. This way, the potato pot fits perfectly into modern, timeless kitchen concepts.

As part of the NATUR-DESIGN series made in Germany, the potato pot stands for durable quality and regional production.

Advantages:

- Potato pot with wooden lid in modern Urban Grey
- Diameter: 23 cm
- Height: 19 cm
- With practical wooden lid
- For decorative and tidy storage
- Part of the NATUR-DESIGN series made in Germany

Storage tip:

Specifications

Colour	cream white
Tableware type	Pot
Material	Magnet

Potatoes are ideally stored dry and separately from onions.
This keeps storage organised and allows the food to be stored appropriately.
