The powerhouse! The strongest magnet in the range – round, rubberised and easy to remove.

Attach your solar panel, your canvas awning or simply your shower to your vehicle. By using two power magnets, you can use your awning even if the ground is not suitable. The flexiMAG-125s with ø 125 mm, circumferential sealing lip, peel-off flap, black rubber cover and M6 x 25 mm threaded pin has a holding force of up to 55 kg. Thread M6.
