Freshness and comfort for your camping toilet

Experience a new dimension of hygiene and comfort with the electric fan kit for the Thetford C260 camping toilet. This innovative system ensures that unpleasant odours are a thing of the past.

Effective odour filtration

The electric fan automatically filters out unpleasant odours from the waste tank and discreetly expels them outside. This keeps your toilet always fresh and clean.

Automatic and manual control

Thanks to the automatic start and stop function, you no longer have to worry about turning it on and off. Of course, manual operation is also possible to ensure maximum control.

Quiet operation

The low-noise fan operates so quietly that you will hardly notice it. This keeps the quiet in your vehicle undisturbed.

Convenient display and easy filter replacement

A special display on the toilet control panel informs you about the operating status. The filter is easily replaceable,
