HPV products are characterised by their high performance and durability. The innovation is the premium model Tango. Equipped with strong burners (2.5 kW each) and an integrated windbreak, the exclusive stainless steel stove provides excellent performance at all times. The safety valve and piezo ignition also guarantee maximum safety and comfort. And if that is not enough: the additionally available cast aluminium grill grate (non-stick-coated) allows you to instantly transform the stove into a complete barbecue.

- Housing made of stainless steel, enamelled pan supports
- Incl. windbreak
- Incl. connecting tube and carry bag
