Information

Dimensions	190x80 cm
Pack size	38x18x18 cm
Net weight	1.1 kg
Gross weight	1.4 kg
Catalogue page	96

The Patrol is more than just a classic sleeping bag. Whether you are camping, at a festival or enjoying cosy evenings under the open sky – it offers reliable warmth, comfortable materials and practical features for a variety of uses. Thanks to the PFC-free BIONIC-FINISH ECO, the outer cover is dirt- and water-repellent. The cuddly high-loft filling and the pleasantly soft texture provide a cosy feeling – perfect for sleeping and relaxing or as a blanket for stargazing.

The silicone-treated hollow fibre inside is tear-resistant and highly compressible. It also has a high lofting ability. This allows you to store the sleeping bag compactly while it still retains its warming properties. The continuous 2-way zip transforms the sleeping bag into a large blanket in no time. The integrated inner pocket is also practical, allowing you to securely store valuables or documents. Those needing more space can connect two Patrol models to form a double sleeping bag – perfect for shared nights in a tent.

- PFC-free outer cover with BIONIC-FINISH ECO – water- and dirt-repellent
- Cuddly high-loft filling for high sleeping comfort
- Tear-resistant, silicone-treated hollow fibre for good com-
