The Iconic Compack tableware series combines modern design with maximum functionality. Made from three-colour Stonetouch melamine, it impresses with its elegant stone look and high everyday practicality. Thanks to the particularly space-saving, stackable shape, the set is ideal for motor-homes, boats or small kitchens. The non-slip coating on the underside ensures a secure grip – even when moving. The lightweight, shatterproof material is durable, easy to clean and dishwasher-safe (Eco mode). This keeps the tableware looking beautiful and hygienic for a long time. Iconic Compack is the perfect choice for anyone who does not want to compromise on style and comfort while on the go.
