The Campingaz® Compact convinces with its elegant design and optimal price-performance ratio. The three powerful burners made of aluminised steel heat the entire grilling surface evenly. The optimal heat distribution makes it possible to use every centimetre of the grilling surface efficiently and to cook food evenly. After grilling, both side tables of the barbecue can be folded down for space-saving storage. Furthermore, the two large castors allow for effortless transport.

Closed steel trolley with spice compartment and two wheels, 3 steel burners, 7.5 kW, approx. 2135 cm² steel grilling surface (100%), piezo ignition, grease collection system.
