Discover the Devil SD cartridge gas stove – the perfect companion for outdoor activities! The high-quality gas stove not only offers outstanding performance, but also a variety of functions that will make your outdoor cooking experiences unforgettable. Whether you are on a camping trip, hiking or simply want to cook outdoors – this gas stove fulfils your requirements.

The Devil SD is equipped with a flame failure device that ensures maximum safety. The integrated piezo ignition allows you to light it easily without the need for additional accessories. The stainless steel burner ensures reliable and efficient heat transfer so that you can prepare your meals in the shortest possible time.

The gas supply to the stove is adjustable.

The supplied transport case provides additional convenience and protects the stove during transport.
