

Item no. 451/070
Manufacturer's no. Dekasyl MS-2

Hazard symbol

EUH208, EUH212

Adhesive and Sealant DEKASYL MS-2, grey

DEKALIN Profiprodukte mit PROFIWISSEN

Information

Dimensions	21.5 x 5 cm
Pack size	21.9 x 6.2 x 4.9 cm
Net weight	406 g
Gross weight	506 g
Catalogue page	400

Specifications

Colour	grey
Content	290 ml

Your advantage – modern glueing with the MS glueing technique!

Gluing provides various advantages compared to other mechanical joint techniques, which can be intensified by the use of modern MS polymer products.

- No attenuation of the materials
- No visible joining elements (bolts, rivets, etc.)
- Tight joints (glueing & sealing)
- Even tensioning distribution
- Higher, superior fatigue endurance limit
- Compensation of component tolerances
- Cost savings (time & material) and simplifying of application
- Primer-less adhesive, i.e. only the surface needs to be cleaned
- UV resistant – no yellowing, bond seam does not turn porous!
- Permanently elastic at a temperature range from -40 °C to +100 °C.
- Solvent, plasticiser, isocyanine and PVC free

- Neutral, odourless and fast hardening
- Free of varnish destructive substances
- Wet-on-wet overcoatable within 5 days
