 SOLUTIONS

### Information

|                |            |
|----------------|------------|
| Dimensions     | 44.5x36 mm |
| Pack size      | 20x14x5 cm |
| Net weight     | 30 g       |
| Gross weight   | 40 g       |
| Catalogue page | 565        |

Always a full battery. The Single USB-A-Charger can be installed as a convenient charging station in no time at all – in motorhomes, caravans and boats. The charger can be used universally and charges all mobile devices with a USB-A charging cable, such as smartphones, digital cameras, headphones or mobile speakers.

### Features:

- With USB-A connection for fast charging
- Charges smartphones 50% faster than comparable chargers from other manufacturers
- Affordable USB charger with a single USB-A port
- Easy to install and compatible with the switch ranges from Berker and Inprojal
- Safe thanks to rounded edges
- Protection against short circuits, overvoltage and high temperatures (dust protection optional)
- With open cable ends
