Flexible room divider REMIform II – your perfect companion for more privacy on the go

Discover the versatile REMIform room divider, specially designed to divide the living area of your motorhome or caravan into different rooms. This practical solution improves your privacy and helps you feel more comfortable during your travels.

Adaptable and aesthetic

The room divider from REMIS can be easily adjusted to individual dimensions and seamlessly integrates into the living environment of your vehicle. The pleated fabric, handle bar and running rail are cream white (RAL 9001), enhancing the interior with a beautiful living atmosphere.

Space-saving and secure

When the room divider is not needed, it can be compactly pushed together and securely fastened and stored with the convenient closure. This ensures that your living space remains flexible and usable. Installation width: 45.5 mm.

Easy to attach

Attachment of the pleated fabric package with convenient closure; easy one-hand operation without additional brack-
